

## **A Bore Well to Life**

### **With grateful hearts - Santhosh and Family**

In their utter need for a source of drinking water, Mr. Santhosh and family through the Salesian Sisters at Vaduvanchal approached CDEW Society. With the promise given they decided to bore a well and they got the estimate. It was said 250ft and it may cost more than one lakh. They started the work. It reached 400ft. But did not find the water. They got actually discouraged but the whole family once again knelt and stormed the heaven and decided to dig 50ft more and then give up the work. When it reached 435ft they got water 4 inch pipe of very good water. The total cost came including Motor pump Rs. 2,50,000/- The help offered by CDEW Society was a great support and they are ever grateful to VIDES who helped them financially. They extend their sincere thanks to VIDES Cooperacion for their timely intervention and help.

**THANK YOU**
